MADE IN AUSTRALIA

Made to order

For more than 70 years Robert Gordon has been making pottery to order. We offer a bespoke service, where you can custom co-ordinate your very own colour palette. Please choose from our list of available shapes and then select your colour range.

Each piece is then made uniquely, just for you.

*5% surcharge applies.

Due to the nature of hand made product and our mixed glazes, product sizes may vary slightly. All our products are either hand dipped or brushed meaning no two pieces are alike.
